

Mt. Carmel Swim Team, Inc.

Dear Friends and Neighbors,

The Mt. Carmel Swim Team, a 501(c)(3) non-profit organization, is excited to see the beginning of the 2019 Summer Swim season and another year of building kids and building community through swimming. We look forward to celebrating our 11th season this year!

This year our goal is to have 25 community businesses partner with us to support our athletes and to address some specific needs such as a new laptop to run the required software for our nighttime meets.

Would you consider joining us as a sponsor?

All contributions are welcome and fully tax deductible, but by making a \$100 or more contribution your business logo would be prominently featured on our poolside banner as well as on our website with a link to your business. Hundreds of families would see your generous commitment to our community.

MCST is made up of wonderful friends and neighbors from the Mt. Carmel by the River neighborhood and surrounding communities. We offer families the opportunity to experience the fun, fitness, and excitement of competitive age-group swimming close to home! Boys and girls ages 5-17 years old train and compete in a safe, encouraging environment and many young athletes are first introduced to swimming in leagues such as ours.

MCST is also a mentor team and partner with the Showers Sea Dragons, a program developed to teach children in underserved areas swimming and water safety skills. With your help, we can continue the fight against drowning, Alabama's second most common cause of injury related death among children.

MCST is part of the Rocket City Swim League (RCSL) here in Huntsville, Alabama. Established in 1965, RCSL has grown to 18 neighborhood teams from throughout Huntsville. Each summer, hundreds of families gather to compete weekly in head to head meets and for a final league wide meet called City Meet.

Sponsorship can be granted in a number of ways. General cash donations can be given or one may choose to donate Goods or Services in Kind in support of our annual Shark a Thon fundraiser. Goods or Services in Kind donations may be used for general support of the team or included in prize packages for athletes who exceed personal fund-raising goals.

If you would like to become a sponsor, please mail the enclosed form with your cash donation directly to our Treasurer or contact us at sponsorship@mtcarmelhammerheads.com to discuss a Goods or Services in Kind donation. Another way to donate is to visit the team's website at www.mtcarmelhammerheads.com, open the Sponsorship tab, and select one of the donation options.

Thank you for your consideration and have a wonderful summer!
